

## How Do I Become A Volunteer?

The process is simple!

First, stop by our shelter, or visit our web site to obtain an application. Fill out the application completely and submit it via email or in person.

Upon receiving and reviewing your application, the CAR Volunteer Coordinator will contact you to schedule your initial orientation. The orientation class lasts approximately two hours.

During the orientation class you will receive a guided tour and brief overview of our volunteer program, activities and opportunities. We will also include a discussion of our cause and philosophy. In addition, we will begin hands-on training that is specific to your volunteer job title.

For more information, call our Volunteer Coordinator, Ashley Thompson, at 636-227-1919.

## Country Acres Rescue invites you to join us!

Inside learn the answers to the questions:

*What kind of volunteering positions are there?*

*Does my time there really make a difference?*

*What is required to become a volunteer?*

*How do I become a volunteer?*

## Make A Difference!

**Country Acres Rescue** cares for over 300 unwanted and abandoned animals a year.

This would not be possible without the efforts of volunteers who give of their time and energy every day. These selfless members of our community work with CAR to save animal lives in many different ways:

- Administration
- Adoptions
- Pet Care Attendant
- Animal Socialization
- Education
- Fundraising
- Dog Walking & Socialization
- Fostering
- Marketing
- Obedience Training
- Offsite Adoptions
- Special Events

## Did You Know?

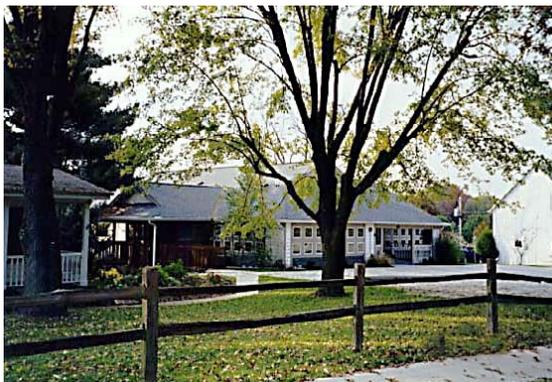

Working in ANY of these areas makes you a lifesaver!

Just because you may not work directly with the animals does not mean you are not helping to save lives.

All aspects of volunteerism at CAR helps us apply more resources directly towards health care, daily maintenance and adoptions of the animals in our care.

Helping the animals of CAR comes in many different forms. From socializing those animals who are trying to cope with unfamiliar surroundings, to manning a booth at special events, to data entry, there are numerous opportunities available to you!

Think for a moment about yourself and your friends who may be interested in volunteering. You may have skills or services to offer CAR that you may not have thought would benefit homeless animals. Let us know today!

## Requirements For Volunteering

**Country Acres Rescue** welcomes a partnership with members of our community. To become a volunteer, the minimum requirements are:

- You must care about the welfare of animals
- You must be at least 18 years of age (*We offer a Youth Shelter Assistant program to youths 14-17*)
- You must attend an orientation and various training sessions
