Because of our concern for placing the appropriate animal in the best suited home, we ask that you please read and abide by the following:

- You must be at least 25 years old, with proof of identification.
- Current identification must show your correct address and phone number.
- A C.A.R. representative may visit my home and/or request photos to verify any information given on this questionnaire.
- A C.A.R. representative may make an adoption follow-up either in person or by telephone.
- The adoption process can take anywhere from a few hours to a few days.
- Please note that we do not adopt on a first-come, first-serve basis. There are times when we receive multiple adoption applications for a particular animal. We try to look at an animal's unique personality and needs, matching this with the best living situation. It also means we sometimes do have to turn down an application.
- The decision of the C.A.R. personnel is final.
- All adoptions must meet the criteria of C.A.R.'s GENERAL ADOPTION POLICIES.
- If approved you must carefully read the terms of our Adoption Contract and be willing to agree to the terms.
- Finally, you must pay a *non-refundable* Adoption Fee as determined by C.A.R.

I have answered all questions on this application truthfully and to the best of my knowledge.
